

VENDOR CODES INDEX

● Companies are listed in numeric order by vendor code. ● Vendor codes include the Commercial and Government Entity (CAGE) code and the NATO Supply Code for Manufacturers (NSCM). ● CAGE codes are assigned by the U.S. Defense Logistics Agency to U.S. and Canadian organizations which manufacture or control the design of items supplied to government agencies, and are also assigned to government agencies. ● NSCM codes are assigned by NATO countries to organizations which manufacture or control the design of items supplies to government agencies and which are located in NATO nations and other countries, excluding the U.S. and Canada.

00048	Abrams Instrument Corp.	01FX2	Aero Dynamix, Inc.	03854	Styles Aviation, Inc.
